About TASC

Established in 1996, the Toy Association of Southern California is a non-profit business association representing a broad spectrum of manufacturers, importers, exporters, and distributors from the toy industry in the greater Los Angeles region.

Our Mission is to improve the welfare of the toy industry, an important force in the region's economy. We monitor a broad range of issues affecting our industry and communicate our members' interest and concerns to local elected officials, policy makers, and others.

The goal of the Association is to serve the toy industry of Southern California through meaningful and practical programs that help members remain competitive. Timely and useful information is available through our website, legislative alerts, education seminars and networking mixers.
